

PLENARY EXPERIMENT WITH WEBINAR

The Water Plan will be experimenting with using a webinar option for this week's Plenary meeting on Wednesday and Thursday, October 26th and 27th.

THIS IS THE FIRST TIME THAT WE ARE ATTEMPTING TO USE THIS TECHNOLOGY FOR A LARGE, MULTI-SESSION MEETING. WE CANNOT GUARANTEE THE CONNECTION OR THE QUALITY OF THE CONNECTION. We are inviting individuals to "test" the technology for agenda sessions that they are interested in.

This webinar option is intended for those individuals who are only interested in hearing about one (or very few) topics. If participation in a session is a "must" for you, we suggest that you attend in person. The following pages provide the webinar links and conference call numbers for each agenda session.

When you call in, **PLEASE PUT YOUR PHONE ON MUTE AT THE BEGINNING OF THE CALL by dialing *6 (star 6). IT IS ESSENTIAL THAT YOU DO NOT PUT YOUR PHONE ON "HOLD" AT ANY TIME.** You can press *6 again if you need to unmute your line.

If you would like to help us test the use of this technology, we would like your feedback on the quality of your webinar experience – please go to www.surveymonkey.com/s/plenary-webinar-feedback.

Three conference lines have been established and are listed immediately below. On the next page, you can see which conference line is assigned to which session, along with the webinar link for each session. If you have questions or need additional information, please contact Judie Talbot at talbot.judie@gmail.com or 775-720-0214.
